

Dear Parents,

Welcome!

Here is the supply list for SY 2011-12, in case you want to start looking early and/or you plan to visit Ramstein or Bitburg PX.

- two glue sticks
- pair of safety scissors
- colored pencils
- fine-point markers
- one plastic supply box
- 4-5 composition notebooks (for spelling, daily journal, word of the day, etc.)
- a one inch wide three-ring binder (for our poetry journal)
- kleenex-1 box to begin school with
- five **plastic** pocket folders (one of each color - blue, green, purple, red, yellow)  
Plastic folders can last all year; the paper folders fall apart after a few weeks.
- two packages of lined notebook paper, wide ruled (not spiral bound notebooks)

Your child may use what is left over from this year.

We have enough pencils to start the school year. If your child would like one or two pocket folders of their choice for extras, that would be fine.

Any questions please call me at school.

Thank you,

Ms. M
